What It Is
E-RAP is an online, interactive tutorial that walks you through the steps of choosing, registering and paying for your first semester of courses here at Waubonsee. It also includes other important information that can help you be more successful in your academic career.

Topics include:
- Degree Paths, Certificates and Educational Goals
- Waubonsee Support Services
- Assessment Testing and Course Placement
- Course Schedules
- Course Registration and Payment

How to Access It
1. Visit mywcc.waubonsee.edu
2. Login with your X-number and password.
   Note: If you have never logged into mywcc before, your initial password will be your birthdate in mmddyy format.
3. The process of beginning E-RAP varies for different kinds of students.
   - Full-time students – Once you log into mywcc, a pop-up window will prompt you to begin E-RAP.
   - Part-time students – To begin E-RAP, click on the Student Tab and scroll down to Helpful Resources. Click the E-RAP (Electronic Registration and Payment) tab then click the link to E-RAP (Electronic Registration and Payment).

If you do not have a computer or Internet access at home, you may visit your local library or a Waubonsee campus. All four campuses (Sugar Grove, Aurora, Copley and Plano) have computers available.

E-RAP takes about an hour to complete, but if you need to stop, you can pick up close to where you left off upon your next login.
